Notice of Abandonment

Part of Paper No. 20050822

Item 7 - Other reasons for holding abandonment: Applicant has failed to comply with 37 CFR 1.111 (b) with respect to the instant application, for example, to distinctly and specifically point out the supposed errors in the examiner's action and to reply to every ground of objection and rejection in the prior Office action mailed 1/4/2005. The reply also fails to present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references. Applicant has instead filed a continuation in part (application 11/176,977) of the instant application in response to the office action mailed 1/4/2005.
